

Dear Parents/Carers,

29<sup>th</sup> February 2016

### **Bakes and Cakes Enrichment**

As part of the Enrichment Programme, your son/daughter will be participating in 'Bakes and Cakes'. The first enrichment session will commence on **Friday 2<sup>nd</sup> March**. Each week we will be following different recipes to bake, cakes, biscuits and other savoury foods. A list of ingredients will be provided in advance, which your son/daughter will require. In order to follow the recipes successfully within the allocated time, it would be advisable to weigh the ingredients at home.

#### **Week 2 – Easter Chocolate Nests**

200g milk chocolate (or dark/white)

Kind regards,
