Applications & Admissions Policy

HYDESVILLE
TOWER SCHOOL

September 2023

1 Introduction

- 1.1 Hydesville Tower School is an independent academically selective day co-education/boys/girls school for children aged 3-16.
- 1.2 The aims of this policy are:
 - to set out the criteria and procedure for enquiries, pre-registration events, and admissions which are clear, fair and ensure compliance with the Equalities Act 2010; and
 - to ensure that the abilities and aptitudes of applicants joining Hydesville Tower School (**'the School'**) matches the ethos and standards of the School and may benefit from the opportunities offered at the School, able to make a positive contribution to the life of the School.
- 1.3 References to parents in the policy means a parent or legal guardian (or the parents or legal guardians) of a child or applicant to the School.
- 1.4 This policy is available on the School website and also on request from the School office and can be made available in large print or other accessible format, if required.

2 Equal Treatment

- 2.1 The School welcomes applications for admission from pupils of all backgrounds. This policy applies to all pupil, including those in our Early Years Foundation Stage.
- 2.2 All candidates for admission will be treated equally, irrespective of their, or their parents', sex, race, sexual orientation, religion or belief, pregnancy or maternity, gender reassignment, or any disability or social background. Candidates will also be treated equally in respect of their parents' age, gender or marital or civil partnership status.
- 2.3 If an applicant has any allergies, special educational needs, or a disability, parents or guardians must notify the School on the Registration Form, providing full written details in the dedicated space provided on the form.
- 2.4 Parents must let the School know about any particular requirements which may affect a child's ability to participate in a taster/trial session or day in School and/or their ability to participate in any pre-admission assessments so that the School can make appropriate provision for them.
- 2.5 Where necessary, parents will be asked to provide a copy of an Educational Psychologist's report, or a relevant medical report or any Education Health Care Plan (ECH Plan) (draft or otherwise) which may be in place with respect to their child, and the School may need to discuss provision with external agencies. This is so that the School can assess the child's needs, what support is required and consult with parents about the adjustments which can reasonably be made and so that the School can ensure, for example, that their child will be able to adequately access the education and opportunities offered at the School and that the School is able to ensure their health and safety, and the health and safety of others (including staff and pupils). The cost of such reports will usually be the responsibility of the parent.

Applications and Admissions Policy

- 2.6 Where a prospective pupil is disabled, the School will discuss with parents (and their child's medical adviser's, and/or the Local Authority, where appropriate) the adjustments that can reasonably be made for the child if they become a pupil at the School, to ensure that the prospective pupil is not put at a substantial disadvantage compared to a pupil who is not disadvantaged because of a disability.
- 2.7 There may be exceptional circumstances in which the School is not able to offer a place for reasons relating to a child's disability or special educational needs. For example, if, despite reasonable adjustments, we feel that a prospective pupil is not going to be able to adequately access the education offered, or that their health and safety or those of other pupils or staff may be put at risk, we may not be able to offer a place at the School.
- 2.8 Sometimes, the situation of pupils with disabilities and/or special educational needs changes. The School requires parents to be pro-active and transparent in updating the School as to any relevant changes which mean that the information provided during the application process is out of date or incomplete. In the vast majority of cases, this will not affect a pupil's place at the School (where a place has been offered). However, the School may, in exceptional circumstances, need to reconsider the offer of a place if a pupil's circumstances change materially. It is in the pupil's interests that any such decision is made as early as possible to avoid any disruption to their education, so parents are urged to be forthcoming in their communications with the School about any material change to their child's circumstances.

3 Enquiries

All enquiries and applications should be made to the Admissions Manager. Further information about the School's application process can be found on the School's website.

4 Visits

Prospective parents are encouraged to visit to see the School in action and to meet the Headteacher. Each term there are open events which are an opportunity to tour the school on an informal basis. Details about scheduled open days are published on the School website [and enquiries about ad hoc visits to the School should be made to the Admissions Manager.

5 Registration

- 5.1 Following a visit, parents wishing to register their child should complete a Registration Form and return it with a payment for the registration fee. The registration fee covers the cost of administering the registration procedure, including the waiting lists and is non-refundable. Registration is an indication of interest and is not a guarantee of a place.
- 5.2 The School will respond by confirming that the child's name has been placed on the admission list for the relevant term and year. If the year group is fully subscribed, they will be placed on a waiting list. A place is confirmed once a formal offer has been made by the school and a deposit has been received in return.

6 Taster Days

We offer Taster Days as an opportunity for all prospective pupils to experience a typical school day. On this day, the School will make a general assessment of the child's suitability to attend the school. Our assessment criteria is designed to identify a pupil's ability to benefit from the School's well-rounded education, and make a positive contribution towards the life of the School, aligned with the School's ethos and values.

7 Admission to Nursery, Reception, Year 1 and Year 2

- 7.2 Children are welcomed into the Nursery from the term in which they turn 3. No formal assessment of children is undertaken however the Nursery Manager meets every child after they turn 2 to ensure there are no issues regarding the child's general development and any identified special educational needs or disabilities prior to a place being offered. Places in the Nursery are not automatic, in some rare cases, a place will not be offered, for example, if we judge that a child's development is below expectation such that they will not flourish in the environment we offer, or because the Nursery/Reception is unable to meet the needs of the child.
- 7.3 Parents are asked to be as candid as possible about any issues concerning their child.
- 7.4 In Years 1 and 2 assessments are made of the child by the class teacher during a taster session. For Reception, an informal assessment is made by the Nursery Manager.
- 7.4 In all cases where a child has been in school or nursery previously, information is sought.
- 7.5 It is expected that Nursery children are to be clean and dry or almost toilet-trained prior to entry.

8 Transition through Year Groups

- 8.1 It is anticipated that all pupils will transition through the school and reap the rewards of the education on offer. Should this prove not to be the case, parents will be informed of any concerns at the earliest opportunity and at the latest before the end of the Spring Term if there appears to be any reason why the pupil may be refused a place in the subsequent year groups. In rare cases it may be that a pupil's progress or behaviour means that transfer to the next stage of the school is not deemed appropriate.

9 Admission to other Year Groups

- 9.1 Children joining the school for Years 3 – 6 and Senior School pupils from Year 7 and above are admitted in the following way:
- The individual is invited to spend a taster day in school where an assessment is made. Feedback is provided by the Head of Prep/Senior School at the end of the day, or as soon thereafter as is practical.
 - In all cases where an individual seeks entry to the school, the present school will be contacted for a reference which can be either oral or written.
 - Discounts are available e.g. sibling discounts and means-tested bursaries. Refer to the school Admissions Team for information. Discounts are reviewed periodically.

10 Allocation of Places, Offers and Waiting List

- 10.1 A place is only available once a formal offer has been made by the School and the required deposit has been received by the School in return.
- 10.2 In the event that the number of children registered for any year group exceeds the places available, a criteria will be applied in a specific order. These could include:
- Siblings in the School
 - Results obtained in standardised tests
 - Length of time the child has been registered
 - Children of Alumnae

- References from previous schools
- For a child entering the Nursery, a child requiring a full time place will be given priority over children requesting a part time place, provided sufficient sessions are available.

- 10.3 The parents of each applicant will be informed within one week of their application whether a place is available. The School will not be obliged to state its reasons for declining a request for admission.
- 10.4 If no place is available, parents may place their child's name on the waiting list for the School. The School cannot guarantee when a place may become available.
- 10.5 The School reserves the right to withdraw an offer of place in circumstances when the School becomes aware that material information provided as part of the child's application is intentionally false or misleading.

11 Appeal

There is no right to appeal a decision not to admit a pupil to the School. The decision of the Headteacher is final. The School's complaints procedure is not available for prospective parents or in respect of prospective pupils.

12 Overseas Applicants

We welcome overseas pupils provided that they have the legal right to enter and study in the UK and, where parents are resident outside the UK, have an education guardian who has legal authority to act on behalf of the parents. More details are contained in the School's Parent Contract.

13 Fluency in English

- 13.1 In order to cope with the academic and social demands of the School pupils must have an appropriate working knowledge of English. Normally pupils should have been educated in the English medium for at least 2-3 years before coming to the School. Tuition in English as an Additional Language (EAL) can be arranged at the parent's expense.
- 13.2 Applicant pupils may be required to undertake a language proficiency assessment before a place is offered. This includes a written assessment and may include an interview, either in person or online.

14 The Parent Contract

The terms upon which the School educates each child are set out in the School's Parent Contract as amended from time to time, which will be made available to parents as part of the admissions process.

15 Admissions Register and Record Keeping

- 15.1 The School maintains an Admissions Register in line with regulatory requirements.
- 15.2 Applicants' details will be held on file with due regard to data protection legislation, the School's Privacy Notice and Data Retention Policy. The School will not hold the personal data of your child or you for longer than is necessary for a lawful purpose.

15.3 For each pupil, the Admissions Register must contain:

- Name in full;
- Gender;
- Name and address of every person known to the proprietor to be a parent of the pupil (and an indication of which parent the pupil normally lives with and which parents hold parental responsibility as defined by Section 3 Children Act 1989)
Note: parents holding parental responsibility, even if not actually caring for the child, have a right to receive relevant information from the School in respect of any pertinent matter affecting the child, unless a court order indicates otherwise. Where a parent notifies the School that a pupil will live at another address, in addition or instead; the new address, the full name of the parent with whom the pupil will normally live with in future and the date from which it is expected the pupil will normally live there, where it is reasonably practicable for the School to ascertain this information;
- At least two emergency contact numbers for pupils with two or more parents, i.e. one per parent or at least two emergency contact numbers for children with single parents (where possible);
- Day, month and year of birth;
- Day, month and year of admission or re-admission to the School;
- Name and address of the School last attended, if any; and
- The name of the destination school (or additional school, in the case of dual registration) notified by a parent and the first date of attendance, where it is reasonably practicable for the School to ascertain this information (a new requirement from September 2016).

15.4 The name of a pupil must be included in the register from the beginning of the first day on which the School has agreed, or has been notified, that the pupil will attend the School. For most pupils the expected first day of attendance is the first day of the School year. If a pupil fails to attend on the agreed or notified date, the School should undertake reasonable enquiries to establish the child's whereabouts and consider notifying the local authority at the earliest opportunity.

15.5 The School will inform their local authority (where the School is situated) when a pupil's name is going to be deleted from the Admissions Register on certain grounds. In summary, these are:

- When the child has been taken out of school to be home educated;
- When the family has apparently moved away;
- When the child has been certified as medically unfit to attend;
- When the child is in custody for more than four months; and
- When the child has been permanently excluded.

15.6 Schools must notify their 'own' local authority when they add or remove a pupil's name from/to the Admissions Register at non-standard transitions, i.e. where a compulsory school-aged child leaves a school before completing the School's final year or joins a school after the beginning of the School's first year. The lawful grounds for removing a pupil, including the original ones above, and the information to be reported to the local authority, are set out in detail in Children Missing Education (DFE, 2016). Schools are also under a duty to provide information to the local authority for standard transitions if requested.
