FACTA N VERBA

Prep School Extra-Curricular Clubs – Spring Term 2025 (Years 1 to 6)

Leading independent education in Walsall for boys and girls aged 3-16 since 1952.

Introduction

Welcome to our **Prep School Extra-Curricular Clubs** booklet. Here, you will find out more about the vast array of clubs and activities that we have on offer for pupils to take part in. Are they a budding mathematician or scientist? Do they like to sing, play a musical instrument, dance or learn other languages? Are they creative or sporty? Whatever their interest, we have a **club to suit**. The benefits of taking part in extracurricular activities can never be underestimated; pupils have the chance to mix with others, they can develop existing skills or even spark a new interest. What's more, developing our young people and enriching their school experiences will undoubtedly give them confidence and a great sense of self-worth. So, turn the pages and feel the excitement as new opportunities unfold.

As with all previous free clubs we ask that only 2 x free clubs are booked in the first instance to allow all students to access the opportunities. Once the initial allocation has been made communication will be sent to open any remaining spaces.

School management reserves the right to cancel any overbookings made at the start of the term.

Please note following the introduction of Vat on educational tuition, affected sessions have attracted VAT. This is itemised where applicable.
