#HYDESVILLE FAMILY NEWSLETTER

AUTUMN TERM 20TH SEPTEMBER 2024

A WELCOME FROM THE HEADTEACHER

Dear Parents and Carers,

It has been a fantastic couple of weeks, and I am pleased to say that the children are now fully immersed in their school routines and activities.

This week has been especially exciting as we announced the new leadership roles in prep school, and the enthusiasm among the pupils has been wonderful to see. We are looking forward to the upcoming Global Be Well Day, which promises to be an enriching experience for everyone.

I'd also like to extend a special invitation to our Open Day on Saturday, the 28th. It's set to be a wonderful event where you, as current parents, will have the unique opportunity to experience different sections of the school.

Thank you for your continued support.

Have a lovely weekend.

WEEKLY ROUND UP NURSERY

GETTING TO KNOW GREEN GROUP

This week we have been learning interesting facts about each other, to include favourite things and features unique to us and painting a picture of ourselves to display in the classroom. Personal, Social & Emotional Development is one of the important Prime Areas of Learning within the EYFS Framework, therefore developing the self-confidence to talk about things that are important to us goes a long way in meeting our learning milestones to know that we are all unique and our feelings are heard and validated. Let's see what Green Group said about themselves:

ART

Some of the year 7s have brought me some fabulous work that they have completed over the summer holidays.

Tina A: two oil paintings; one depicting her dog Max, and palm trees against the sunset.

Sanjvi T created a beautiful image of zebras using small gems.

Gursimran B produced a wonderful embroidery depicting flowers.

What a talented bunch!

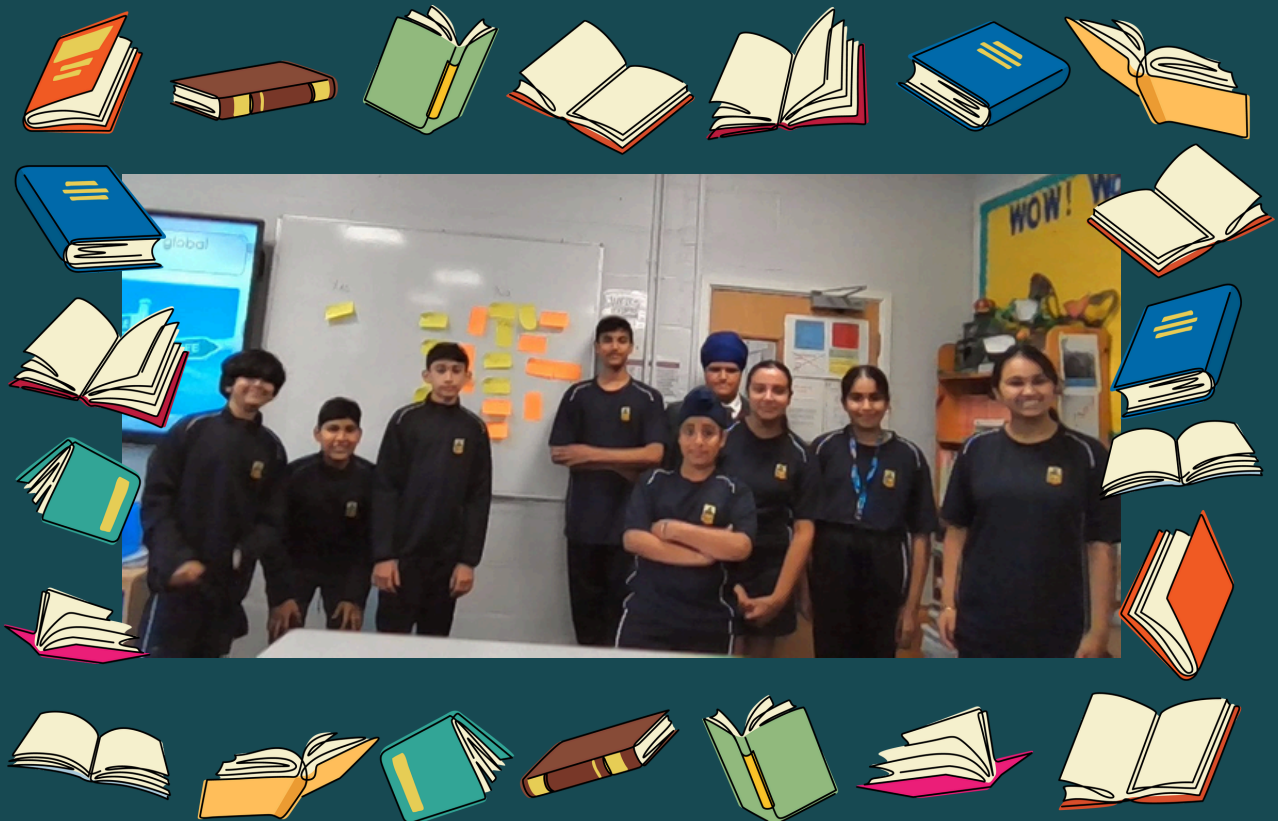

WEEKLY ROUND UP SENIOR

English

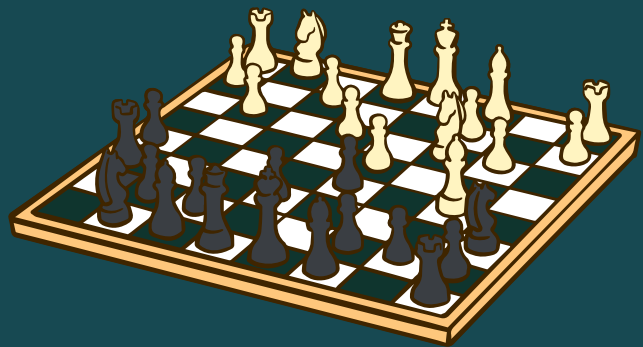

International Literacy Day Monday 9th September

KS3 celebrated International Literacy Day by debating 'Should English be a global language?' and exploring the etymology of words which have come into English from other languages. Mrs Booth and Miss Fletcher were very impressed by the strength of argument from some of our youngest pupils and we look forward to introducing the Public Speaking and Debating competitions during the Autumn Term.

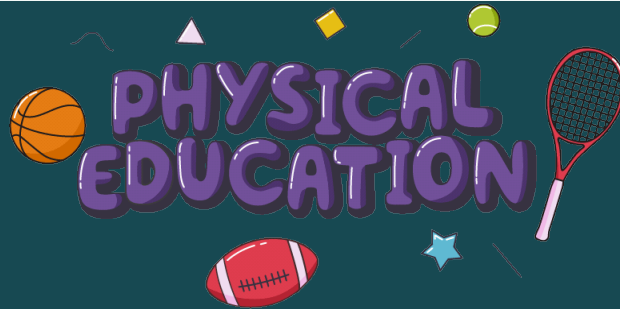

WEEKLY ROUND UP SENIOR

Senior School Enrichment

WEEKLY ROUND UP SENIOR

U16 boys took the short trip over to Highclare school to compete in the ISA football competition. Competing against 10 other schools, Hydesville finished on a high by winning their last game 2-0 to finish 7th overall. Captain Gurdeep S starred alongside goal machine Sukhsimran S, with all the lads contributing wholeheartedly by running their socks off and playing in unfamiliar positions with a never say die attitude. A credit to their school.

WEEKLY ROUND UP SENIOR

Black History Month is an annual celebration observed in October in the United Kingdom, dedicated to recognising and honouring the contributions, achievements, and history of Black individuals and communities. At Hydesville Tower, we are committed to enriching our students' understanding of this significant cultural month through a variety of engaging activities.

This year's theme, #ReclaimingNarratives, encourages pupils to explore and reinterpret stories from the Black community, fostering a deeper understanding and appreciation of diverse perspectives. Students will engage in an array of activities across all subjects, integrating themes of Black history into their learning journey. Year 8 pupils have already begun studying the Civil Rights Movement as part of their curriculum and throughout October all senior pupils will be welcome to attend a screening of the inspiring film *Hidden Figures*, which highlights the pivotal roles of Black women in NASA during the Space Race, prompting discussions about representation and achievement.

Additionally, a school-wide competition will challenge students to creatively showcase their understanding of Black history through art, poetry, or presentations. We urge all pupils to immerse themselves in these enriching experiences, thereby reinforcing our commitment to inclusivity and respect for all cultures at Hydesville Tower.
